Only Women Bleed

Alice Cooper

Man got his woman to take his seed He got the power, oh, she got the need She spends her life through pleasing up her man She feeds him dinner or anything she can She cries alone at night too often He smokes and drinks and don't come home at allOnly women bleed Only women bleed Only women bleedMan makes your hair gray, he's your life's mistake All you're really lookin' for is an even break He lies right at you, you know you hate this game He slaps you once in a while and you live and love in pain She cries alone at night too often He smokes and drinks and don't come home at allOnly women bleed Only women bleedMan got his woman to take his seed He got the power, oh, she got the need She spends her life through pleasing up her man She feeds him dinner or anything she can She cries alone at night too often He smokes and drinks and don't come home at allOnly women bleed Only women bleed Only women bleedBlack eyes all of the time Don't spend a dime, clean up this grime And you there down on your knees Begging me, please come watch me bleedOnly women bleed Only women bleed
