Dear God:

Thank you for everything youve done for my family. Thank you for keeping us safe.

(You are good, yeah Lord, we love you)

Lord, its been rough at times but you helped us through. (You are good, yeah)

Please bless other families to make it through bad times. (Lord, we love you)

Lord, bless my dad, my mom, my sister, the President and all my family and friends. (You are good, yeah)

Lord, bless everyone who hears this CD

If they dont feel good, please help them feel better. (Lord, we love you, yeah)

Lord, bless our country and the troops, my school and everyones school. (You are good, yeah Lord we love you)

And most of all bless someone to be better friends with you because of my Dads music. (You are good)

In Jesus name, Amen.
