Just Like a Pill

P!nk

I'm lyin' here on the floor where you left me
I think I took too much
I'm crying here, what have you done?
I thought it would be fun

I can't stay on your life support, there's a shortage in the switch,
I can't stay on your morphine, cuz it's making me itch
I said I tried to call the nurse again but she's being a little bitch,
I think I'll get outta here, where I can

[Chorus]
Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear you're just like a pill
'Stead of makin' me better, you keep makin' me ill
You keep makin' me ill

I haven't moved from the spot where you left me
This must be a bad trip
All of the other pills, they were different
Maybe I should get some help

I can't stay on your life support, there's a shortage in the switch,
I can't stay on your morphine, cuz it's making me itch
I said I tried to call the nurse again but she's being a little bitch,
I think I'll get outta here, where I can

[Chorus: x2]

I can't stay on your life support, there's a shortage in the switch,
I can't stay on your morphine, cuz it's making me itch
I said I tried to call the nurse again but she's being a little bitch,
I think I'll get outta here, where I can

[Chorus]
