

Because I Want You

Placebo

Fall into you is all I seem to do
When I hit the bottle
'Cause I'm afraid to be alone
Tear us in two is all it seems to do
As the anger fades
This house is no longer a home
Don't give up on the dream
Don't give up on the wanting
And everything that's true
Don't give up on the dream
Don't give up on the wanting
Because I want you too
Because I want you too
Because I want you too
Because I want you
Because I want you
Stumble into you is all I ever do
My memory's hazy
And I'm afraid to be alone
Tear us in two is all it's gonna do
As the headache fades
This house is no longer a home
Don't give up on the dream
Don't give up on the wanting
And everything that's true
Don't give up on the dream
Don't give up on the wanting
Because I want you too
Because I want you too
Because I want you too
Because I want you
Because I want you
Because I want you too
Because I want you too
Because I want you
Because I want you
Because I want you
Fall into you is all I ever do
When I hit the bottle
'Cause I'm afraid to be alone
Tear us in two, tear us in two
Tear us in two
Because I want you too
Because I want you too
Because I want you
Because I want you
Because I want you too
Because I want you too
Because I want you
Because I want you
