

# Where's The Playground Bobby

[Lynn Anderson](#)

The end has come and found us here with our toys scattered all around us here  
The puzzle that we couldn't find an answer for  
Still asks us darling just what all the games were for  
And here we stand in a box of sands  
Where's the playground Bobby you're the one who's supposed to know his way around  
Where's the playground Bobby if I don't stay around if I don't stay around  
[ piano ]  
The carousel has stopped us here it twirled a time or two and then it dropped us here  
And still you're not content with something about me  
But what merry-go-round could you ride without me  
To take your hand oh how would you stand  
Where's the playground Bobby if I decide to let you go and play around  
Where's the playground Bobby if I don't stay around if I don't stay around  
Where's the playground Bobby...
