

# Frequency Dip

James

Frequency dip  
Sediment layers  
Frequency dip  
Frequency dip  
Frequency dip  
Sink unit  
Sediment layers  
Different stations  
Different courses  
Different stations  
Different courses  
(it's no reward)  
Multitude of voices  
A multitude of voices  
(it's no reward)  
Sediment layers etc. That's you and me, folks  
Some kind of  
Some kind of  
False hair-do  
Some kind of sink unit Blind upon blind  
Frequency dip  
Blind upon blind  
Frequency dip  
Working in different mine shifts  
Working in different minds
