

# For Love

## Agnes

I know I put you to the test again  
Like so many times before  
Your starting to loose your faith in me  
I know it's time for me to start to show  
I'm not gonna let you go  
We're not going down just take a good look in my eyes I live my life alone I'd tried to get it right  
And steer somehow, I always end up  
Breaking up and ? slowing down the line  
But I don't know why cause you're everything in my life  
And I can't go on without having you by my side  
So please don't go away I know you say that I'm so far away  
But my life is complete right here  
No matter what I put you through  
And I know it's time for me start to show  
I'm not gonna let you go  
I gave you my soul just take a good look in my eyes I live my life alone I'd tried to get it right  
And steer somehow, I always end up  
Breaking up and ? slowing down the line  
But I don't know why cause you're everything in my life  
And I can't go on without having you by my side  
If we end I now, there's no reason to carry on  
So please don't go It's time to say goodbye to the crazy things I've done  
And put it all behind cause I live my life for love  
Listen to me when I say, hey I live my life for love  
Listen to me when I say, I'm not gonna let you go  
We're not going down just take a good look in my eyes I live my life alone I'd tried to get it right  
And steer somehow, I always end up  
Breaking up and ? slowing down the line  
But I don't know why cause you're everything in my life  
And I can't go on without having you by my side  
If we end I now, there's no reason to carry on  
So please don't go, please don't go away
