

# A Woman Like You

Lee Brice

last night out of the blue  
driftin' off to the evenin' news  
i just laughed, said 'i don't know,  
'but i could take a couple guesses though'  
and then tried to dig real deep,  
said, 'darlin', honestly  
'i'd do a lot more offshore fishin'  
'probably eat more drive-thru chicken  
'take a few strokes off my golf game  
'if i'd a never known your name  
'i'd still be drivin' that old green 'nova  
'i probably never would have heard of yoga  
'be a better football fan  
'but if i was a single man  
'alone and out there on the loose  
'i'd be lookin' for a woman like you?  
well, i could tell that got her attention  
so i said, 'oh yeah, i forgot to mention  
'i wouldn't trade a single day  
'for a hundred years the other way?  
she just smiled and rolled her eyes  
'cause she's heard all of my lines

i said, 'c'mon on girl, seriously  
'if i hadn't been so lucky  
'i'd be shootin' pool in my bachelor pad  
'playin' bass in my cover band  
'restockin' up cold bud light  
'for poker every tuesday night, yeah  
'i'd have a dirtbike in the she'd  
'and not one throw pillow on the bed  
'i'd keep cash in a coffee can  
'but if i was a single man  
'alone and out there on the loose  
'i'd be looking for a woman like you?  
she knows what a mess i'd be if i didn't have her here  
but to be sure, i whispered in her ear  
'you know i get sick deep-sea fishin'  
'and you make the best fried chicken

i got a hopeless golf game  
i love the sound of your name  
i might miss that old green nova  
but i love watchin' you do yoga  
i'd take a gold band on my hand  
over bein' a single man  
'cause honestly, i don't know what i'd do  
if i'd never met a woman like you?
