Anything But Jesus

Stereomud

I'm not your savior I'm as simple as a lost sheep
But you think I know everything
I'm just like you I'm trying to figure out this bullshit
So why ya looking up to me
I don't want to hear
Don't want to hear the questions
I got no answers anyway
Say, see I don't know
See I don't know what you want
I never said I knew everything
I don't want to be I don't want to be Jesus in your lost head
I don't want to be I don't want to be Jesus your Jesus I said
Anything, anything but Jesus in your lost head
I don't want to be I don't want to be Jesus your Jesus I said
There's no mistakes there's only lessons I believe that
You've got to find out your own way
So, don't you make me into someone that I can't be
That will never appeal to me
I don't want to hear
Don't want to hear the questions
I got no answers anyway
Say, see I don't know
See I don't know what you want
I never said I knew everything
I don't want to be I don't want to be Jesus in your lost head
I don't want to be I don't want to be Jesus your Jesus I said
Anything, anything but Jesus in your lost head
I don't want to be I don't want to be Jesus your Jesus I said
Strike down on me when I don't have the answers
Don't strike out at me look for the answers
I don't want to be I don't want to be Jesus in your lost head
I don't want to be I don't want to be Jesus your Jesus I said
Anything, anything but Jesus in your lost head
I don't want to be I don't want to be Jesus, your Jesus I said
"I'm not your savior", see I can't help you so why ya looking up to me
