Baby Plays Around

Elvis Costello

It's not open to discussion anymore
She's out again tonight
And I'm alone once more
She's all I have worth waiting for
But baby plays aroundAnd so it seems
I've always been the last to know
To hold on to that girl, I had to let her go
I wish to God, I didn't love her so
'Cause baby plays aroundI try to be strong, hold on to my pride
She doesn't even know it's wrong
How much I hurt inside
And heaven knows I've tried
But baby plays around, just a plaything
It's hard to reconcile, the facts I'm facingIt's not open to discussion anymore
She walks those shiny streets
I walk the worn out floor
She's all I have worth living for
Baby plays, baby plays around
