Rooftops

Kris Allen

Here's a little song for my one and only
She's the one I want, yeah
She's the one for me
Ever since I met her
Never been lonely
Yeah, she flipped my switch and I was gone
My friends all say, I never hang out
Though, they never see me anymore
But when I'm with her
There ain't no doubt
She's everything I'm looking for
Said I... can't help myself
I'm in love with a girl, with a girl
I'm screaming from the rooftops
All over the world now
I... can't help myself
I'm in love with a girl, with a girl
I'm screaming from the rooftops
All over the world now
She's the kinda girl you never get over
Give her all I got, yeah
This is what I told her;
You give me crazy love, crazy love
I can't get enough, get enough...
She got my T-shirt on, with a sleepy smile
And walks into the kitchen
She's so beautiful in the morning light
I had to stop to check my vision
Said I... can't help myself

I'm in love with a girl, with a girl
I'm screaming from the rooftops
All over the world now
I... can't help myself
I'm in love with a girl, with a girl
I'm screaming from the rooftops
All over the world now
Here's a little song for my one and only
She's the one I want, yeah

She's the one for me
You give me crazy love, crazy love
I can't get enough, get enough
My friends all say, I never hang out
Though, they never see me anymore
But when I'm with her
There ain't no doubt
She's everything I'm looking for
Said I... can't help myself
I'm in love with a girl, with a girl
I'm screaming from the rooftops
All over the world now
I... can't help myself
I'm in love with a girl, with a girl
I'm screaming from the rooftops
All over the world now
I... can't help myself
I'm in love with a girl, with a girl
I'm screaming from the rooftops
All over the world now
Yeah...
