

# There's A War Going On For Your Mind

## Flobots

There is a war going on for your mind  
Media mavens mount surgical strikes  
From Trapper Keeper collages  
And online magazine racks  
Cover girl cutouts throw up pop-up ads  
Infecting victims with silicone shrapnel  
Worldwide passenger pigeons deploy paratroopers  
Now, it's raining pornography, lovers take shelter  
Post-production debutantes  
Pursue you in NASCAR chariots  
They construct ransom letters from biblical passages  
And bleed mascara into the holy water supplies  
There is a war going on for your mind  
Industry insiders slang test tube babies  
To corporate crack heads  
They flash logos and blast ghettos  
Their embroidered neckties say, "Stop snitchin"  
Conscious rappers and whistleblowers get stitches  
Made of acupuncture needles  
And marionette strings  
There is a war going on for your mind  
Professional wrestlers and vice presidents  
Want you to believe them  
The desert sky is their blue screen  
They superimpose explosions, they shout at you  
Pay no attention to the men behind the barbed curtain  
Nor the craters beneath the draped flags  
Those hoods are there for your protection  
And meteors these days are the size of corpses  
There's a war going on for your mind  
We are the insurgents
