

Cowboy Joe

Volker Rosin

(instrumental)

I'm not looking to change your mind,

There's a place, call it home

It's no secret, the world unwinds

Maybe now you're not alone

It's just another day

In the life of cowboy joe

Straitlaced to the bone

(this story will not play?)

You take the wheel and play the chance

Suddenly the room's divided

As in the way of true romance

It's always undecided

It's just another day

In the life of cowboy joe

Shipwrecked to the bay

(this story will not play?)

Every time he climbs back up

Smacked down with a dime

It's evens or odds now

Just ran out of time

(instrumental)

Love's a struggle, there's a fight

No bone of contention

So unhappy, well here's the bite

That's the mother of invention

It's just another day

In the life of cowboy joe

Strange place to play

It's just another day

In the life of cowboy joe

(fade out)
