Do To Me

Trombone Shorty

I know you came here to move
Showin' up tonight so the show improve
I know you feel so good when you're feelin' the groove
I can show you how it's doneNow hold on, not so fast
You got to feel and make the fire last
You want to feel it from me, I want to feel it from you
I say what you gonna do?What you gonna do to me?
What I'm gonna do to you
I bet you'll like it
What you gonna do to me?
What I'm gonna do to you
I bet you'll like itLate night, with the lights down low
Safe and sound by the bedroom door
I bet you still won't move
I bet you still want more
And then you shake it like I came here forCrazy, I'll be holding out
Waiting 'til no one's around
There's no better place than here
There's no better time than nowWhat you gonna do to me?
What I'm gonna do to you
I bet you'll like it (I bet you'll like it)
What you gonna do to me?
What I'm gonna do to you
I bet you'll like it (I bet you'll like it)(What you gonna do to me?)
What you gonna do? Baby baby
(What I'm gonna do to you)
I bet you'll like it, I bet you'll like it
I'm talking to you, baby
(What you gonna do to me?)
What I'm gonna do to you
I bet you'll like itWhat you gonna do? Yaw!
What you gonna do to me?Yaw!
