Don't Call Me

Sylver

Don't call me beautiful
Don't call me hot
Don't call me lovable
Because I'm notDon't call me generous
Don't call me kind
Don't call luminous
Don't be so blindI am a sinner
I'm not a saint
I am a winner
And you sure ain't
Don't be so desperate
Don't be naive
I'm full of lies
Which you believeDon't call me angel
Don't call me sweet
Don't call me baby
Your heart will bleedDon't call me perfect
Don't call me nice
Don't think I care
And think twiceI am a sinner
I'm not a saint
I am a winner
And you sure ain't
Don't be so desperate
Don't be naive
I'm full of lies
Which you believeDon't call me beautiful
Don't call me beautiful
Don't call me beautiful
Don't call me hotI am a sinner
I'm not a saint
I am a winner
And you sure ain't
Don't be so desperate
Don't be naive
I'm full of lies
Which you believe
