

Dukes Up

Modest Mouse

So you wonder how
Get 'em up, put 'em up
Get your dukes up now
Got no time no money, that's why
Get 'em up, put 'em up
Get your dukes up now Soda fountain crowd
Button up, shut 'em up
Gettin' fed up now
Got no time, no money, knock out
Get 'em up, put 'em up
Get your dukes up, now So you wonder how
Get 'em up, put 'em up
Get your dukes up now
Got no time no money, that's why
Get 'em up, put 'em up
Get your dukes up now Soda fountain crowd
Button up, shut 'em up
Gettin' fed up now
Got no time, no money, knock out
Get 'em up, put 'em up
Get your dukes up, now
