Dukes Up

Modest Mouse

So you wonder how Get 'em up, put 'em up Get your dukes up now Got no time no money, that's why Get 'em up, put 'em up Get your dukes up nowSoda fountain crowd Button up, shut 'em up Gettin' fed up now Got no time, no money, knock out Get 'em up, put 'em up Get your dukes up, nowSo you wonder how Get 'em up, put 'em up Get your dukes up now Got no time no money, that's why Get 'em up, put 'em up Get your dukes up nowSoda fountain crowd Button up, shut 'em up Gettin' fed up now Got no time, no money, knock out Get 'em up, put 'em up Get your dukes up, now
