

# Chasing Pavements

## Radio 1's Live Lounge

I've made up my mind, don't need to think it over  
If I'm wrong I am right, don't need to look no further  
    This ain't lust, I know this is love  
    But if I tell the world, I'll never say enough  
        'Cause it was not said to you  
And that's exactly what I need to do if I'd end up with you  
Should I give up or should I just keep chasing pavements  
    Even if it leads nowhere?  
    Or would it be a waste even if I knew my place  
        Should I leave it there?  
Should I give up or should I just keep chasing pavements  
    Even if it leads nowhere?  
    I build myself up and fly around in circles  
Wait then as my heart drops and my back begins to tingle  
    Finally could this be it?  
Should I give up or should I just keep chasing pavements  
    Even if it leads nowhere?  
    Or would it be a waste even if I knew my place  
        Should I leave it there?  
Should I give up or should I just keep chasing pavements  
    Even if it leads nowhere?  
Should I give up or should I just keep chasing pavements  
    Even if it leads nowhere?  
    Or would it be a waste even if I knew my place  
        Should I leave it there?  
Should I give up or should I just keep on chasing pavements  
    Should I just keep on chasing pavements?  
Should I give up or should I just keep chasing pavements  
    Even if it leads nowhere?  
    Or would it be a waste even if I knew my place  
        Should I leave it there?  
Should I give up or should I just keep chasing pavements  
    Even if it leads nowhere?
