Imagine Me Without You (Acoustic Version)

Jaci Velasquez

As long as stars shine down from heaven
And the rivers run into the sea
Until the end of time forever
You're the only love I'll need
In my life you're all that matters
In my eyes the only truth I see
When my hopes and dreams have shattered
You're the one that's there for meWhen I found you I was blessed
And I will never leave you, I need youImagine me without you
I'd be lost and so confused
I wouldn't last a day, I'd be afraid
Without you there to see me throughImagine me without you
Lord, you know it's just impossible
Because of you, it's all brand new
My life is now worthwhile
I can't imagine me without you
When you caught me I was falling
You're love lifted me back on my feet
It was like you heard me calling
And you rush to set me freeWhen I found you I was blessed
And I will never leave you, I need youImagine me without you
I'd be lost and so confused
I wouldn't last a day, I'd be afraid
Without you there to see me throughWhen I found you I was blessed
And I will never leave you, I need youImagine me without you
I'd be lost and so confused
I wouldn't last a day, I'd be afraid
Without you there to see me throughI can't imagine me without you
