

Everything

Lifehouse

Find me here, speak to me
I want to feel You, I need to hear You
You are the light that's leading me
To the place where I find peace again
You are the strength that keeps me walking
You are the hope that keeps me trusting
You are the light to my soul
You are my purpose, You're everything
How can I stand here with You and not be moved by You?
Would You tell me, how could it be any better than this?
You calm the storms, and You give me rest
You hold me in Your hands, You won't let me fall
You steal my heart, and You take my breath away
Would You take me in, take me deeper now
How can I stand here with You and not be moved by You?
Would You tell me, how could it be any better than this?
And how can I stand here with You and not be moved by You?

Would You tell me, how could it be any better than this?
'Cause You're all I want, You're all I need
You're everything, everything
You're all I want, You're all I need
You're everything, everything
You're all I want, You're all I need
You're everything, everything
You're all I want, You're all I need
You're everything, everything
And how can I stand here with You and not be moved by You?
Would You tell me, how could it be any better than this?
How can I stand here with You and not be moved by You?
Would You tell me, how could it be any better than this?
How can I stand here with You and not be moved by You?
Would You tell me, how could it be any better than this?
Would You tell me, how could it be any better than this?
