

No Control

Eddie Money

Well, they took me to the hospital
And I swore I wouldn't go
My blood was running much too high
My heart was much too slowThe doctor had some questions
Some things he had to know
My lady shook her head and said
"The boy's got no control" Well, I wasn't born in trouble
My adopted middle name
When you're running with the devil
You've got no one else to blameHe says I'm okay
He might say I'm alright
But I lose control
When he keeps me up all nightNo control
(No control)
I got no control
(No control)
I hope they don't know, no, no, noI got no control
(No control)
No control
(No control)
No, no, no, no, no controlShe always makes me feel so good
I gotta make things right
I'm watching all the boys check her
And I don't want a fightBut I've got a temper
That's one thing she knows
And if there's some trouble
I lose my controlI got no control
(No control)
I got no control
(No control)
I hope they don't know, no, no, noI got no control
(No control)
I said no control
(No control)
I ain't got no, no, no controlNo control
No, no, no, no, no, no, noI got no control
(No control)
I got no control
(No control)

I know they don't know I got not control
(No control)
No control
(No control) I got
(No control)
Oh, oh
(No control)
No control No, no, no, no, no, no, no
(No control)
No, no, no, no, no, no, no
(No control)
No control [Incomprehensible]
I wanna tell you now
I got no control now No, no, no, no, no, no, no
(No control)
No, no, no, no, no, no, no
(No control)
No control
