

New Morning

[Lisa Loeb](#)

Can't you hear that rooster crowin'?
Rabbit runnin' down across the road
Can't you hear that rooster crowin'?
Rabbit runnin' down across the road
 Underneath the bridge
 Where the water flowed through
 So happy just to see you smile
 Underneath the sky of blue
On this new morning, new morning
 On this new morning with you
Can't you hear that motor turnin'?
 Automobile comin' into style
 Comin' down the road
 For a country mile or two
 So happy just to see you smile

 Underneath the sky of blue
On this new morning, new morning
 On this new morning with you
 The night passed away so quickly
 It always does when you're with me
 Can't you feel that sun a-shinin'?
Groundhog runnin' by the country stream
 This must be the day
 That all of my dreams come true
 So happy just to be alive
 Underneath the sky of blue
On this new morning, new morning
 New morning with you
On this new morning, new morning
 New morning with you
