# Automatic Yawns

## Caviar

You can never know
Until you give me solid gold
Easy action, rock all over you
I've got the lips that drive you to distractionLied about all the girls you laid
And never ask and never tell
Got a filthy little secret
Push it down the wishing wellWe don't hear
We don't care at all
We don't know
We just go around, around
Around, aroundAutomatic yawns
When you do what you want to do
Automatic yawns
When you go where you go
Apathetic taunts
Ride around when I'm through with you
Automatic yawns
Intoxicated, I don't want to knowI saw a flame
Proven in a thousand ounce of captain
Spanking you machine
Girl you look stunning when you're smilingDelayed like a fake
Honey should be standing much to creepy
Dreaming wide awake
I had a dream that I was singleWe don't hear
We don't care at all
We don't know
We just go around, around
Around, aroundAutomatic yawns
When you do what you want to do
Automatic yawns
When you go where you go
Apathetic taunts
Ride around when I'm through with you
Automatic yawns
Intoxicated, I don't want to knowOh yeah, oh yeah, oh yeah, oh yeah
Oh yeah, oh yeah, oh yeah, oh yeahWe don't hear
We don't care at all
We don't know
We just go around, around

Around, aroundAutomatic yawns
When you do what you want to do
Automatic yawns
When you go where you go
Apathetic taunts
Ride around when I'm through with you
Automatic yawns
Intoxicated, I don't want to knowAutomatic yawns
When you do what you want to do
Automatic yawns
When you go where you go
Apathetic taunts
Ride around when I'm through with you
Automatic yawns
Intoxicated, I don't want to know
