

Time (clock Of The Heart)

Culture Club

Don't put your head on my shoulder
Sink me in a river of tears
This could be the best place yet
But you must overcome your fears
In time it could have been so much more
The time is precious I know
In time it could have been so much more
The time has nothin' to show because
Time won't give me time
And time makes lovers feel like they've got somethin' real
But you and me, we know they've got nothin' but time
And time won't give me time won't give me time
Don't make me feel any colder
Time is like a clock in my heart
Touch, we touch, was the heat too much
I felt I lost you from the start
In time it could have been so much more
The time is precious I know
In time it could have been so much more
The time has nothin' to show because
Time won't give me time
And time makes lovers feel like they've got somethin' real
But you and me, we know they've got nothin' but time
And time won't give me time won't give me time
Time, time, time
In time it could have been so much more
The time is precious I know
In time it could have been so much more
The time has nothin' to show because
Time won't give me time
And time makes lovers feel like they've got somethin' real
But you and me, we know they've got nothin' but time
And you know time won't give me time
And time makes lovers feel like they've got somethin' real
But you and me, we know they've got nothin' but time
And you know time won't give me time
And time makes lovers feel
