

Let's Start Again

Magic Giant

Can I talk to you - will you hear me out?
I haven't been ready till just now I'm sorry things got a little bit rough
I'm hopin we can get back in touch
Your touch Let's start again
Time to let to go-oh-oh-oh-oh
Let's start again
Forget what you know-oh-oh-oh-oh I'm starting to wonder did your phone break
Or did I misdial by mistake It could be you miss me
But it's too complicated to be with me
We'll see Let's start again
Time to let to go-oh-oh-oh-oh
Let's start again
Forget what you know-oh-oh-oh-oh
I forget where we left off
Who was right, who was wrong
Let's start again
Time to let go-oh-oh-oh-oh Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh
Let's start again
Time to let go-oh-oh-oh-oh What's at the bottom of a black and blue rainbow?
This time we're gonna let all our colors show
Someday seems so far
You gotta end to begin so here's my last card
It's all yours Let's start again
Time to let to go-oh-oh-oh-oh
Let's start again
Forget what you know-oh-oh-oh-oh
I forget where we left off
Who was right, who was wrong
Let's start again
Time to let go-oh-oh-oh-oh Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh
Let's start again
Time to let go-oh-oh-oh-oh I forget where we left off
Who was right, who was wrong
Let's start again
Time to let go-oh-oh-oh-oh
