

Who the Hell Are You

Madison Avenue

Oh well now, when I was a little girl
My mama sat me down and told me all about the world
Now she, she told me true
She said, "One day you would probably break my heart in two" But now I, I beg to differ baby
I don't take it the way you like to give it
Now look at you, on your knees
Sweet as sugar baby, sayin' please I said, "I'm looking at you", well
Said, "I'm looking at you", aah ha
I said, "I'm looking at you" Now who the hell are you, to treat me like that?
I don't care where you've been
What you've done or where you're at
Now who the hell are you, to act the way you do?
You won't be smiling by the time I'm through with you
Now who the hell are you? Oh well now, ain't no cheating, ain't no lying
Ain't no explaining, justifying going on around here
Now stand up and be a man
If you want it, come and get it baby, catch me if you can Come on and catch me if you can
Oh well, you know that, if you want it
Come and get it, if you want it, ow Now who the hell are you, to treat me like that?
I don't care where you've been
What you've done, or where you're at
Now who the hell are you, to act the way you do?
You won't be smiling by the time I'm through with you
Now who the hell are you? Now, when I was a little girl
My mama sat me down and told me all about the world
Now she, she told me true
She said, "One day you would probably break my heart in two" But now I, I beg to differ baby
I don't take it the way you like to give it
Now look at you, on your knees
Sweet as sugar baby, sayin' please I said, "I'm looking at you", well
Said, "I'm looking at you", aah ha
I said, "I'm looking at you" Now who the hell are you, to treat me like that?
I don't care where you've been
What you've done or where you're at
Now who the hell are you, to act the way you do?
You won't be smiling by the time I'm through with you
Now who the hell are you?
