

Nothing Can Stop My Love

Roger Miller

I gotta get up I gotta get goin' rain or shine sleetin' or snowin'

Nothing can stop me stop me stop my loving you

Wander through woods climb a high mountain

Love's in my heart like waters in a fountain

Nothing can stop me stop me stop my loving you Cross the fire walk through river you'll be the taker and I'll be
the giver

I'll give you lovin' lovin' honey that's what I'll do

Climb a big wall I'd tear into pieces I gotta get to your love and kisses

Nothing can stop me stop me stop my loving you I can't stop praisin' the day I found you

I'd walk a hundred miles just to be around you

Nothing can stop me stop me stop my loving you

Nothing at all nothing in the world can make me stop fallin' for you my girl friend

Nothing can stop me stop me stop my loving you

Cross the fire walk through river
