Sink Or Swim

Northless

What if the devil was a lie?
What if God did not exist?
So, with all due respect
Tell me, what is death?
If life is just a bitch
I see the evil in their eyes
I hear the lies behind their breath
They wander in the dark
They do not have a heart
Don't let them take it away
Brace for impact!
You will pay the price
For betraying me
You will pay the price
You will pay the price
For betraying me
You will pay the price
So save yourself!
Cause the tide is rising high
It's sink or swim
It's hit or miss
What will you pick?
So take some action
Don't let the undertow grab hold
It's sink or swim
It's hit or miss
Man overboard!
Man overboard!
Do you believe in ghosts?
Conducting from the grave
We are nothing but pawns
We move to where they want
Cause life is just a game
I wrapped my hands around your throat
With a smile on my face
Squeeze untill you choke
I will not let go till I feel no pulse
You will pay the price
For betraying me

You will pay the price
For betraying me
So save yourself
Cause the tide is rising high
It's sink or swim
It's hit or miss
What will you pick?
So take some action
Don't let the undertow grab hold

It's sink or swim
It's hit or miss
Man overboard!
Man overboard!
I bid farewell,
To you fairweather friend
I know someday you'll get what you deserve (you deserve)
And after all,
The bridges you have burned
I forgive you for the things you have done!
I bid farewell,
To you, fairweather friend
I know someday you'll get what you deserve (you deserve)
And after all, (And after all)
The bridges you have burned
I forgive you for the things you have done! (You have done)
So save yourself
Cause the tide is rising high
It's sink or swim
It's hit or miss
What will you pick?
So take some action
Don't let the undertow grab hold
It's sink or swim
It's hit or miss
Man overboard!
Man overboard!
So save yourself
Cause the tide is rising high
It's sink or swim
It's hit or miss
What will you pick?
So take some action
Don't let the undertow grab hold
It's sink or swim

It's hit or miss
Man overboard!
Man overboard!
Man overboard!
Man overboard!
It's sink or swim
It's hit or miss
What will you pick?
Man overboard!
Man overboard!
It's sink or swim
It's hit or miss
What will you pick?
Man overboard!
