

Nixon's Spirit

Paul Oakenfold

{ This message is for Paul Oakenfold, eh how are you?

Its Anita Baymont, Hunter Thompson's assistant

I'm going through the messages

And I'm just getting back to you to let you know

That Hunter did get the cds

I've listened to them and I'm excited and

Hunter has listened to them and

He is interested

So eh we'll give you call back in a couple of days

Yeah so um, great stuff, we'll talk soon, thanks bye }

{ We must read this

Nixon's spirit will be with us for the rest of our lives

Whether you're a me or Bill Clinton or you or Kurt Cobain or

Bishop Tutu or Keith Richards or Aimee Fisher or Boris Yeltsin's Daughter or her finance's sixteen year old

beer drunk brother

With his braided goatee and his whole like a

Thunder cloud right in front of him }

{ This is not a generational thing

You don't even have to know who Richard Nixon was

To be a victim of his ugly Nazi experiments }

{ He has poisoned our water for ever

Nixon will be remembered as a classic case

Of a smart man shitting in his own nest

But he also shit in our nest and that was a crime

That history will burn on his memory as a brand

By disgracing and degrading the presidency of the United States

By fleeing the White House like a diseased cur

Richard Nixon broke the heart of the American dream }
