

# Everything Is Fine

## Teen Suicide

i made friends with a ghost  
we hang out almost every night  
    when i'm lying in my bed  
        he creeps into my head  
        he fills me with dread  
        and everything is fine  
i made friends with a creep  
he sticks a needle in his arm  
    when i'm lying in my bed  
        he stole everything i had  
i still let him hang around  
    cause everything is fine
