My Type (featt. Emily Warren)

The Chainsmokers

You don't gotta say it, I know you ain't stayin' over
And I won't even mention the fact that you're never sober
I never know which side I'm gonna get tonight
And the closer we get, the less I think I know youBut you're just my type
The kind that only calls me late at night
You can't decide if you'll be yours or mine
I hate to say it, but you're just my type
Yeah, you're just my type, yeah, yeahJust my type
Yeah, you're just my type, yeah, yeah
Just my type
Yeah, you're just my type, yeah, yeahAnd I'm foolin' myself, 'cause I know that I'll never change ya
But you told me the truth, so I guess I can't really blame ya
No, you're not the one, but you're all I want, yeah
People say I'll get hurt, I don't know what they're so afraid ofBut you're just my type
The kind that only calls me late at night
You can't decide if you'll be yours or mine
I hate to say it, but you're just my type
Yeah, you're just my type, yeah, yeahJust my type
Yeah, you're just my type, yeah, yeah
Just my type
Yeah, you're just my type, yeah, yeahBut you're just my type
The kind that only calls me late at night
You can't decide if you'll be yours or mine
I hate to say it, but you're just my type
Yeah, you're just my type, yeah, yeahYeah, you're just my type (oh, I hate to say it, but you're)
Yeah, you're just my type, yeah, yeah
Just my type
Yeah, you're just my type, yeah, yeahMy type
Oh, I hate to say it, but you're just my type
My type
Oh, I hate to say it, but you're just my type
