This one truly deserves to be on every British hit list I don't want to go to China

I don't want to fall in love

Let me give you broken pieces

Hand in glove Hips, tits, lips, power I want to give you it now

I want to give you some broken pieces

Wanna give you it now

Hand in glove I want to give you it now

Uh uh, uh uh, broken pieces

Wanna give you it now Valentine, twisted, tied

Seeded, valentine

Twisted, broken pieces

Twisted valentine Hips, tits, lips, power
