I Am The Cosmos

Big Star

(Bell)
Every night I tell myself
I am the cosmos, I am the wind
But that don't get you back again
Just when I was starting to feel ok
You're on the phone
I never wanna be alone
Never wanna be alone
Hate to have to take you home
Wanted too much to say "no, no"
My feelings always have been something
I couldn't hide, I can't confide
Don't know what's going on inside
I'd really like to see you again
Really wanna see you again
Never wanna see you again
Really wanna see you again
