

I Only Have Eyes for You

Patti Austin

Are the stars out tonight?
I don't know if it's cloudy or bright
Cause I only have eyes for you dear
The moon may be high
But I can't see a thing in the sky
Cause I only have eyes for you
I don't know if we're in a garden
Or on a crowded avenue
You are here, so am I
Maybe millions of people go by
But they all disappear from view
And I only have eyes for you I don't know if we're in a garden
Or on a crowded avenue
You are here, so am I
Maybe millions of people go by
But they all disappear from view
And I only have eyes
Yes I only have eyes for you
For you
