

They Can't Take That Away From Me

Various Artists

The way you wear your hat
The way you sip your tea
The memory of all that
No, no, they can't take that away from me
The way your smile just beams
The way you sing off key
The way you haunt my dreams
No, no, they can't take that away from me
We may never, never meet again
On the bumpy road to love
But I'll always keep the memory of
The way you hold your knife
The way we danced till three
The way you changed my life
No, no, they can't take that away from me
No, they can't take that away from me
The way you wear your hat
And the way you sip your tea
Oh, they're never gonna take it away from me
We may never meet again
On the bumpy road to love
But I'll always, always keep the memory of
The way you hold your knife
The way we danced till three
The way you changed my life
No, my love for you will stay
And although try they may
They can't take that away from me
Never gonna take it away, away
Oh, never gonna take it away, away from me
