

# Destiny (outro)

## Ja Rule

Yeah  
Yo yo yo yo yo  
Holla  
(Holla)  
Last temptation  
(Ooo ooo)  
Comin' through now niggas  
It's a problem  
It's a problem  
Always has been  
(Ha ha ha)  
Yo buck  
Turn me up a lil' bit in my motherfuckin' headphones and shit  
Come on and let these niggas know  
(Let them know)  
Motherfuckers you'll want war wit the God  
(Come on)  
Ya'll know betta  
I put holes in ya leatha'  
Reknit 'cha sweata'  
And I bet the floors wetta'  
Than ocean front property  
Betta come at me properly  
Niggas betta off poppin' me  
(Niggas betta off poppin' me)  
But I believe ya'll scared to clap from hammers  
(But I believe)  
And the fact that I'm unpredictable gives me the advantage  
What the fuck am I speakin' Spanish niggas?  
Have I gotta tell ya'll in detail how we murder niggas?  
(Murder niggas)  
Handin' your business  
The inc is religous  
Murder is the sacrafice  
We throwin' em's niggas  
That means murder for life  
  
(Murder for life)  
And I'm die fo that red and black

The house wit the cheddah stack  
And the smiles on my kids faces  
What to replace this  
This little nigga here ta come with grips with death and taste it  
My air's thick and filled with hatred  
Suprised that they look in my eyes?  
(Well don't be)  
I'm just followin' the footsteps the Lord done paved me  
(Hey hey hey)  
If I go crazy it's the same  
I'ma blame it on the world for what I became  
(Hey hey hey)  
'Cuz they gave me all the fame and the money name  
The million icon so the world can catch a nigga wit his lights on  
(Hey hey hey)  
That's the pros and cons  
You never quite free  
But just give me a little room so I can breathe  
(Ooo ooo oo)  
And my pain goin' be the death for me  
But to be loved is my destiny  
My black people  
(Black people)  
Yeah  
We out  
(Ooo ooo oo)  
Holla  
Ooo ooo oo  
Ooo ooo oo  
Ooo ooo oo  
...
