In The End

Ida Maria

Oh God, now when's the time for me?
Oh, when will You see me through?

Oh God, my mind is eating my heart out
Oh God, my heart is beating my mind up

Oh, oh God, I can't believe in You
Just because I'm afraid You're true
Oh God, I can't believe in You
Just because I'm afraid You're true

Oh God, now when's the time for me?
Oh, when will You see me through?

Oh God, I can't believe in You
Just because I'm afraid You're true
Oh God, I can't believe in You
Just because I'm afraid You're true, true

Oh God, I can't believe in You
Just because I'm afraid You're true
Oh God, I can't believe in You
Just because I'm afraid You're true

Oh Lord, I can't believe in You
Just because I'm afraid You're true
Oh Lord, I can't believe in You
Just because I'm afraid You're true
