

Sad, Sad Music

Dwight Yoakam

There should be music
Sad, sad music
But this silence that you left
Is all that I have
I must have missed a couple days
Or just forgotten
What went wrong or where it all
Fell apart
And I now you must have told me
You were leavin'
It just never crossed my mind
You'd take my heart
There should be music
Sad, sad music
The kind the movies have
When love like ours goes bad
There should be music
Sad, sad music
But this silence that you left

Is all that I have
I'd swear that I woke up with you
This morning
But I can see that it's been days
Since you were here
Every night it still hits home
Without a warning
As my world becomes a flood
Of scalding tears
There should be music
Sad, sad music
As you walk away
Without looking back
There should be music
Sad, sad music
But this silence that you left
Is all that I have
There should be music
