

The Palisades

Childish Gambino

[Verse 1: Childish Gambino]

Oh no no, yeah

I know the secret we share

Look what this feeling has done to me

There's something deep in the air

Just hope your hands lift me comfortably[Bridge 1: Childish Gambino]

I don't know why but every time I see you smiling

I'm tired of running tired of playing tired of hiding

If we could be together would that make you happy?

And If it would, tell your girlfriend to get at me

(I'm just playing tho)[Hook: Childish Gambino]

Love don't really happen

Love don't really happen

Love don't really happen

Love don't really happen[Verse 2: Childish Gambino]

I think there's something for us

Lying around as the world comes down

If you understand what I'm saying

You won't end up in the lost and found, nope[Bridge 2: Childish Gambino]

I don't know why but every time I see you dancing

(I see you dancing)

I'm tired of running tired of playing late romancing

(I don't want to)

If we could be together would that make you happy?

(I don't fuck with that)

And If it would, tell your girlfriend to get at me[Hook: Childish Gambino]

[Verse 2: Childish Gambino]

Now why can't everyday be like this

Smoke a J at the beach like this

Hang with bae at the beach like this

Conversations with Kish like this

Never thought it could be like this

Be the man like I am like this

Dance around shake your hips like this

Mess around make a hit like this[Christian Rich]

Like this, like this, no

Always be like this, no

Like this

Like this

Like this, no
Always be like this, no
Like this
Always be like this
Like this
