Fallen For You

Drake Bell

The first time I saw you
I thought you were barefood
Your hair was pulled back, your jelly shoes, I was wondering if I should
Lie
About my ageBuddy Holly glasses on a Betty Page negative
You're lookin so classic handpicked by some Hollywood executive
Just like Norma Jean
I can't believe I've fallen for you
I can't believe I've fallen for you
Way oh
Way oh
Way ohthe next time I saw you, you asked for a reason
I let my love come down
Now you're spending all your time thinkin how you're gonna get even
And I'm by myself
I can't believe I've fallen for you
I can't believe I've fallen for you
I can't believe I've fallen for you
I can't believe I've fallen for youGood morning now
It's a good morning
