

# Fallen For You

Drake Bell

The first time I saw you  
I thought you were barefoot  
Your hair was pulled back, your jelly shoes, I was wondering if I should  
Lie  
About my ageBuddy Holly glasses on a Betty Page negative  
You're lookin so classic handpicked by some Hollywood executive  
Just like Norma Jean  
I can't believe I've fallen for you  
I can't believe I've fallen for you  
Way oh  
Way oh  
Way ohthe next time I saw you, you asked for a reason  
I let my love come down  
Now you're spending all your time thinkin how you're gonna get even  
And I'm by myself  
I can't believe I've fallen for you  
I can't believe I've fallen for you  
I can't believe I've fallen for you  
I can't believe I've fallen for youGood morning now  
It's a good morning
