Talk To Me Baby

New York Dolls

We're dying proportion
To the words that we're playing around
? baby, make me your cloud.Talk to me baby, you'll never think that I wanna refuse
Talk to me now, and make the whole world disappear,
Talk to me baby, talk to me baby
Talk to me now.Poetry is a daddy, don' try to give it about
Or give me a reason just please, please be ?
Talk to me baby, talk to me baby
Talk to me now.This world will take everything from us
For ? several things, (talk to me baby)
Talk me to threw all the sadness
Living ? and I'm gonna give you.
You believe in thing that you want
Tell me you like it.I'm gonna live in your sweet language
Not even ? your face
When you talk that to your baby
I'm in the state of race.Beautiful people ? lock like me and you
Just you and me baby
Can we ? all the things that we wanna do.Baby, talk to me now,
Talk to me baby, talk to me baby
Talk to me now.
