Messed Up Over You

Starflyer 59

Tell it long, so true
Sweetly to me
So long, so blue
Completely over youBut now I'm, I'm, I'm
Messed up over youHave the world for me
Completely bind me
Time, you bind me
Completely beat meBut now I'm, I'm, I'm
Messed up over you
But now I'm, I'm
Messed up over you
