

# Messed Up Over You

## Starflyer 59

Tell it long, so true  
Sweetly to me  
So long, so blue  
Completely over you But now I'm, I'm, I'm  
Messed up over you Have the world for me  
Completely bind me  
Time, you bind me  
Completely beat me But now I'm, I'm, I'm  
Messed up over you  
But now I'm, I'm  
Messed up over you
