Mainline Life

Criteria

take it in my friend
because this is the last time
you'll ever hear my songs
i can't wait to begin again
a fresh start, starts wide open, i'm hopingi pray for blue sky days
but all i got was a rain
could it be that i'm still the same
well after four years, i'm broken
i'm still hopingi wanna reach out, i wanna touch yah
i'll be put out
i can't explain all my dirty thoughts now
you were my ???mainline life
down on me
straight into my handsmainline down on me
straight into my hands
