

I'm Gonna Love You

[Glen Campbell](#)

I know you've been in love before
I know it some times seems like war
But I just want to show you there's no use
To hold up those scars anymoreCause honey I'm gonna love you and
I'm gonna take care of you
And I'm gonna love you all our lives
You will be needed
All your words of wisdom headed
And I'm gonna love you all our livesThey say it's pretty in the snow
Maybe we'll find out if its so
We can take a photograph and write underneath
The places we wanted to go
