

Cecile

Pumarosa

Give me your love Cecile, give me your love.

On the first of July, the first of July.

Give me your love Cecile, give me your love.

On the first of July, the first of July, ah.

July, ah.

Give me your love Cecile, give me your love, in the long to the as, I wanna lay your as.

Give me your love Cecile, give me your love.

On the first of July, the first of July, ah.

July, ah.

On the black light, the black light.

There was a forest fire, there was a forest fire.

On the black light, the black light.

There was a forest fire, between you and I.
