Pain in the Neck

Ace Frehley

I think you're cute
You're a pretty girl
That's why we're living in sum.
You always ask where I'm going
Or find out where I've been
I lost the fun, making love girl
But now you're making me sad
No conceasure any sympathy
You make off for the past.You're a pain in the neck
Pain in the neck!
You're a pain in the neck!I'm sick and tired of all your questions
Stop telling me lies
You always go or ask the band
Like a private eye
Don't want your love, all your money
But put the toys away
Don't wanna hear, your complaining
'Cause your leaving today.You're a pain in the neck
Pain in the neck!
You're a pain in the neckYou gotta go, gotta go now
But I must confess
I'm gonna miss that good loving
But you failed the test
You better think about your future
Take your reality check
You can go, without screaming
You just better accept.You're a pain in the neck
Pain in the neck!
You're a pain in the neck
Pain in the neck!
You're a pain in the neck
Pain in the neck!
"I'm a pain in the neck!"
