

# Taking Chances

Celine Dion

Don't know much about your life  
Don't know much about your world  
But don't want to be alone tonight  
On this planet they call Earth  
You don't know about my past  
And I don't have a future figured out  
And maybe this is going too fast  
And maybe it's not meant to last  
But what do you say to taking chances?  
What do you say to jumping off the edge?  
Never knowing if there's solid ground below  
Or hand to hold, or hell to pay  
What do you say, what do you say?  
I just want to start again  
Maybe you could show me how to try  
Maybe you could take me in  
Somewhere underneath your skin  
What do you say to taking chances?

What do you say to jumping off the edge?  
Never knowing if there's solid ground below  
Or hand to hold, or hell to pay  
What do you say, what do you say?  
And I had my heart beating down  
But I always come back for more, yeah  
There's nothing like love to pull you up  
When you're lying down on the floor there  
So talk to me, talk to me like lovers do  
Yeah walk with me, walk with me like lovers do, like lovers do  
What do you say to taking chances?  
What do you say to jumping off the edge?  
Never knowing if there's solid ground below  
Or hand to hold, or hell to pay  
What do you say, what do you say?  
Don't know much about your life  
Don't know much about your world
