

You Matter to Me

Drew Gehling & Jessie Mueller

DR POMATER:

I could find the whole meaning of life in those sad eyes.
They've seen things you never quite say, but I hear.
Come out of hiding, I'm right here beside you,
and I'll stay there as long as you'll let me.

Because you matter to me
Simple and plain and not much to ask from somebody.
You matter to me
I promise you do, you, matter to.
I promise you do, you'll see,
you matter to me

JENNA:

It's addictive the minute you let yourself think
The things that I say just might matter to someone
All of this time I've been keeping my mind on the running away
And for the first time I think I'd considered the stay.

Because you matter to me.
Simple and plain and not much to ask from somebody.
You matter to me,
I promise you do, you, you matter to,
I promise you do, you'll see,
you matter to me.

Dear baby,

I hope someday somebody wants to hold you for twenty minutes straight. They don't pull away, they don't look at your face and they don't try to kiss you. All they do is wrap you up in their arms and hold on tight without an ounce of selfishness to it. I hope you become addicted, baby. I hope you become addicted to saying things and having them matter to someone.

BOTH:

You matter to me.
Simple and plain and not much to ask from somebody.
You matter to me,

JENNA:

I promise you do, you, you matter to,

I promise you do, you matter to

DR POMATER:

Come out of hiding, I'm right here beside you,

As long as you'll have me

I do, promise you do

you matter to me

BOTH:

You'll see,

you matter to me.
